April is **Autism** Awareness Month

Autism Spectrum Disorder (ASD) affects 1 in 36 children in the United States, and affects individuals differently and to varying degrees.

This month is dedicated to raising awareness to promote **understanding, acceptance, and inclusion.**

What You Can Do:

- ♥ Wear Blue to show support!
- 📖 Learn & Share more about autism
- 🤝 Support organizations dedicated to autism advocacy
- 💬 Encourage Inclusion in your community, schools, and workplaces

Autism Facts

What is Autism Spectrum Disorder (ASD)?

- **Neurological and developmental condition** characterized by **social communication difficulties**, **restricted and repetitive behaviors**, and **sensory sensitivities**
- Individuals can exhibit **varying degrees of severity and symptoms** on a **spectrum**
- Symptoms generally appear in the **first two years** of life
- Autism is **four times** more common in **boys** than **girls**

**NO TWO PEOPLE WITH ASD ARE ALIKE
EACH INDIVIDUAL HAS THEIR OWN UNIQUE
STRENGTHS & CHALLENGES**

Request a Field/Video Visit

Are you interested in having an NSANYS Regional Director make a field visit to your local chapter to speak on the benefits of an NSNA membership? The purpose of a visit would be to help facilitate the creation of a local chapter or build membership numbers and more! If we cannot make it to your school, we will happily set up a video call during your meeting to speak to your school! Email the Regional Director Chairs/NEC, Avary Kwai & Rafia Tasnim, at nec.nsanys@gmail.com
